

## Passport, visa & entry requirements

- In order to enter Greece, U.S. and Canadian citizens need a valid passport with an expiration date at least six months beyond the date of reentry.
- We recommend having at least one blank passport page for entry stamps.
- Beginning in 2025, U.S. and Canadian passport holders must register for an [ETIAS](#) travel authorization in order to enter many European countries.
- Passport holders from over 60 visa-exempt countries (including the U.S. and Canada) will need to apply for an ETIAS travel authorization in order to visit 30 European countries. That means that even if you've previously traveled to any of these European countries without a visa, starting in 2025, you'll need to get ETIAS authorization to visit them again. If you're traveling to multiple countries with this requirement, you only need to complete the form once. All Go Ahead travelers are responsible for obtaining their own ETIAS travel authorization before departure. For more details, please visit our [Help Center](#).
- If you're not a U.S. or Canadian citizen, you must contact each country's consulate for your specific entry requirements.

## Tour pacing & mobility

- You will walk for at least two hours daily across uneven terrain, along paved roads and unpaved trails, and up some hills and stairs.
- You should be healthy enough to participate in all included walks without assistance. Adding optional excursions may increase the total amount of walking on your tour.
- You should feel comfortable occasionally managing your own baggage, as well as getting on and off of ferries.
- If you have any mobility concerns or physical restrictions, please contact our Customer Experience Team.

## Transportation & arrival information

- Round-trip flights booked through Go Ahead Tours arrive in and depart from Athens. When you first arrive, a representative from Go Ahead Tours will meet you at the airport and take you to your hotel. If you don't see them, please remain in the arrival lounge: They might be escorting one of your fellow travelers.
- Transfers to and from the airport at your destination are included for travelers who've purchased their flights through Go Ahead Tours. Travelers who purchased their own flights may request airport transfers with Go Ahead Tours for an additional cost.
- Ferries from Patros to Kefalonia, Kefalonia to Lefkada, and Igoumenitsa to Corfu—as well as a flight from Corfu to Athens—are included in the price of your tour.
- All other included transportation on this tour is by private motor coach.

## Baggage allowance

- Please note that our travelers are limited to one checked bag and one carry-on bag per person due to storage limitations on motor coaches, ferries, flights, and other modes of transportation.
- Contact your airline(s) for the luggage restrictions for your itinerary. Please note that on-tour flights may have tighter size and weight limits than your round-trip airfare to and from tour.
- Some airlines may impose additional charges if you choose to check any bags or exceed their size and weight restrictions. Be advised: You're responsible for any luggage fees incurred on all flights.
- Portage isn't included on ferry transfer(s). You should be comfortable lifting and carrying your luggage over the boarding ramp and into the storage area.
- Make sure you label your baggage and keep valuables, medication, and documents in your carry-on.

## Clothing & packing tips

- We recommend packing lightweight, loose-fitting clothing that can be easily layered to

accommodate varying temperatures, as well as a light jacket or rainwear.

- A sturdy pair of walking shoes or sneakers is recommended for sightseeing.
- You may want to pack dressier attire if you plan to visit a high-end restaurant or attend a special performance.
- Shaded areas can be scarce at the archaeological sites and ancient ruins you'll visit on this tour. Bring sunscreen, sunglasses, and a broad-brimmed hat to protect yourself from the sun.
- It's preferable not to visit churches or other religious sites with bare legs or shoulders. (You may be denied entrance on this basis.)

## Health

- At least 60 days prior to departure, check with your healthcare provider, or visit the Centers for Disease Control and Prevention's website at [cdc.gov](#), for the latest updates and entry requirements.
- If you have medication that you take daily, be sure you have enough for each day of the tour, as well as any possible delays you may encounter.
- Please note that codeine (commonly found in headache medications) is banned in Greece, and you may face prosecution if you bring it into the country.
- If you have any dietary restrictions or food allergies, please notify Go Ahead Tours at least 30 days prior to your departure by logging into your account and updating your traveler info. To update this information closer to your departure date, please call our Customer Experience Team.

## Cuisine

- Greece's warm climate ensures a constant supply of fresh, high-quality fruits and vegetables. Salads served with aromatic olive oil, feta cheese, and oregano are plentiful, as are dishes centered on grilled fish, meat, squid, and octopus. One of our favorite plates? Spanakopita—a savory mix

of spinach, cheese, and seasonings, wrapped in phyllo dough and baked to crisp perfection.

## Electricity & air conditioning

- Greece operates on the European standard of 220–240 volts and uses Type C, E, or F plugs with two small, round pins.
- We recommend packing a universal adapter, as well as a voltage converter if you plan on using your own hairdryer or any device without one built in.
- The strength of the air conditioning in European hotels is often not as strong or cool as what you might be used to in the U.S. or Canada. When air conditioning is available, it's usually regulated seasonally and controlled centrally by the hotel.
- Your hotels may provide hairdryers, irons, and other small appliances. However, these amenities can't be guaranteed.

## Connectivity

- Wi-Fi is available in most hotels, though some charges may apply.
- There is no Wi-Fi on any of the motor coaches.
- Please contact your mobile service provider for information on roaming charges.

## Time zones

- Greece is two hours ahead of Greenwich Mean Time (GMT) and seven hours ahead of Eastern Time (ET).
- When it's noon in New York, it's 7pm in Greece.

## Currency

- You'll use the euro on this tour.
- Better exchange rates are usually available overseas, but it's worth ordering some currency from your local bank to use when you first arrive.
- We strongly advise that you take debit and credit cards, which can be used to withdraw cash at local banks as needed. You can also use most cards at ATMs on the international networks Cirrus and Plus, but make sure to check with your home bank about

withdrawal fees.

- Inform your bank and credit card company of your travel plans so that they won't confuse your international purchases for fraudulent charges.
- International banks and businesses primarily accept debit and credit cards that work with the EMV chip system. If you do not already have at least one card with a chip in it, we strongly recommend requesting one from your bank prior to your tour.

## Tipping

- At the conclusion of your tour, it's customary to offer your Tour Director and driver a gratuity in local currency. Please keep current exchange rates in mind.
- We recommend tipping the equivalent of \$10–\$12USD per person, per day for your Tour Director, and the equivalent of \$3USD per person, per day for your driver.
- If applicable, we also recommend the equivalent of \$2USD per local guide.
- Tips can only be paid in cash.
